Once in a lifetime

"Once in a lifetime" is a phrase that could describe the 1985-86 school year well. It was a year full of excitement as well as disappointment, from the unforgettable football season to the catastrophe of the Space Shuttle Challenger.

High school brings many joys throughout the four years. Memories that are hard to forget; memories that only occur "Once in a lifetime".

Spirit: Good as Gold!

Our school colors, black and gold say much about Snider spirit. Whenever you see the bright gold and black colors it immediately reminds you of the pride that Snider displays. Whether it be football, baseball, or basketball games, stands filled with gold and black will be cheering our teams on to victory. The spirit of Snider is as "Good As Gold."

Summertime Excitement

Summertime is full of excitement. It is the time of the year that every student looks forward to. It is a busy time, from summer jobs to relaxing at the lake.

During the summer many Snider students take part in the Ft. Wayne Three Rivers Festival. The Raft Race is one of the most popular events. The Bed Race, the "Shoe Me Your Tan" contest and the parade also are a part of the festival.

As summer comes to an end, many students are ready to return to school. Most agree that the vacation atmosphere will be missed, but getting back to school is a nice change.

Friends are nice to have

Friendship is a very important part of high school. Togetherness provides a sense of security. Being able to share is all a part of growing up. Sharing secrets, laughter and tears are benefits of a friendship. Having someone to sit down and do your homework with or just simply having a friend around is always nice.

All in all a friendship is something that can't be beat!

Spirit alive in '85

Spirit week is a special week full of excitement and pep. The theme was "This year we win again". Decoration day started off the events of the week. It took place on Saturday morning from 8:00 a.m. till 11:00 a.m.

Everyday of the week is specially named. Monday was "Come As You Are Day", Tuesday was "Hawaiian Day", Wednesday was "Rambo Day", Thursday was "Jersey Day", and Friday was "Color Day". Students colorfully outfitted themselves according to each theme.

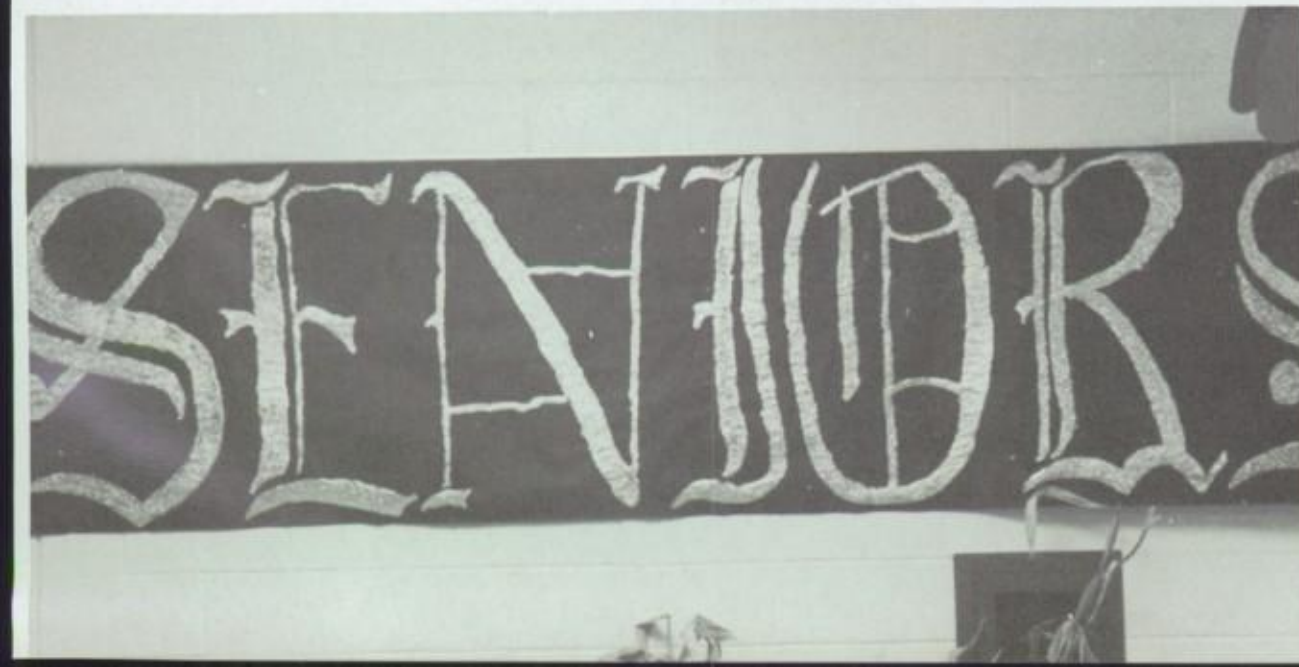

On Thursday the Powder Puff game and the Tug-of-War events took place. The Powder Puff game was between the senior girls and the junior girls. The Tug-of-War contest was between the sophomore girls and the freshman girls. The sophomore girls won. And the seniors won the Powder Puff game and were the first class in the school's history to win the game in both their junior and senior years.

On Friday the week of spirit was climaxed with a victory over Dwenger and a Homecoming dance.

↑Chris Lancia, Evelyn Littlefield, Sharalynn Shubert, and Brett Vannatta would rather be in Hawaii on Hawaiian day.

Powder Puff Releases Spirit

Powder Puff is one of the main attractions of Homecoming. The game involves junior and senior girls. The game arouses much spirit for the upcoming game which is played on Friday night.

This year Powder Puff was a little different. Student Council held an election for a king. The nominees were: Michael Rivera, Eric Castetter and Cornelius Billingsley. The six

varsity cheerleaders escorted the candidates out on the field. Cornelius Billingsley was named king at half-time of the game.

This was the first year that the seniors won the Powder Puff game as juniors and as seniors.

Powder Puff definitely uplifted the excitement of Homecoming '85.

↑ Beth Phillips smiles at the crowd while Brent Saylor attentively listens to the announcer.

Court introduced at pregame

↓ Fred Knipscher and Shonda Lay can hardly keep a smile while being introduced as a part of the 1985 Homecoming Court.

The queen and court has always been an important part of homecoming. This year was no different.

The girls were selected a couple of weeks before homecoming. The court consisted of, Freshman: Dawn Knoch, Shonda Lay; Sophomores: Jenny Herman, Sarah Randall; Juniors: Beth Phillips, Kacey Doebrman; Seniors: Susie Lewis, Michelle R. Butler, and Lynn Conley.

Student Council decided to try something different this year. Instead of having the girls walking out on the

field or riding out in cars at halftime, the girls were driven out in golf carts by their escorts during pre-game. At halftime the girls were introduced and walked out to the football field with their escorts.

Denise Epps, the 1984 Homecoming Queen, came home from I.U. to participate in the crowning ceremonies. Lynn Conley was crowned as the 1985 Homecoming Queen.

We Won Again!

This year we win again was the theme for this year's homecoming. And win again we did. The fighting panthers brought the Bishop Dwenger Saints to their knees with a 19 to 7 victory. The game was a big part of homecoming, but other activities were scheduled during this week. Such as hall decorations, in which the seniors came out the winner. Car decorations, which Julie Dewitt and Holly Dimond won. Tug-of-war and Powder Puff, which the senior girls clenched for the second consecutive year. The spirit throughout the school during the

1985-86 homecoming made it a GREAT success.

Thunder on Sycamore Street

↓ "Joe, they're going to throw us out of our home," Anna Blake (Bonnie Holloway) exclaims as she is comforted by her family, Joseph Blake (Brett Vanatta) and Judy (Tina Winans).

Thunder on Sycamore Street concerned a family, the Morrisons, who moved on to Sycamore Street. The father was an ex convict, a fact which other families of Sycamore soon found out. Later, the neighbors decided to try to make the Morrison's move. The play then dealt with the controversy of the situation, ending in a neighborhood riot near the Morrison's home.

However, with all the comics and laughter, and the crowd cheering them on, the Panthers came out on top! Thanks to the Music Boosters who sponsored the popular event, the

Snider Staff showed WMEE who was Number 1!

Taking part in the evening's hilarity were: Principal Jerry Petrie, Asst. Principal Leon Youngpeter, Mr. Buzard, Mr. Rothenhofer, Mr. Miller and with Ms. Anita Evans adding the feminine touch.

One Night Love Affair

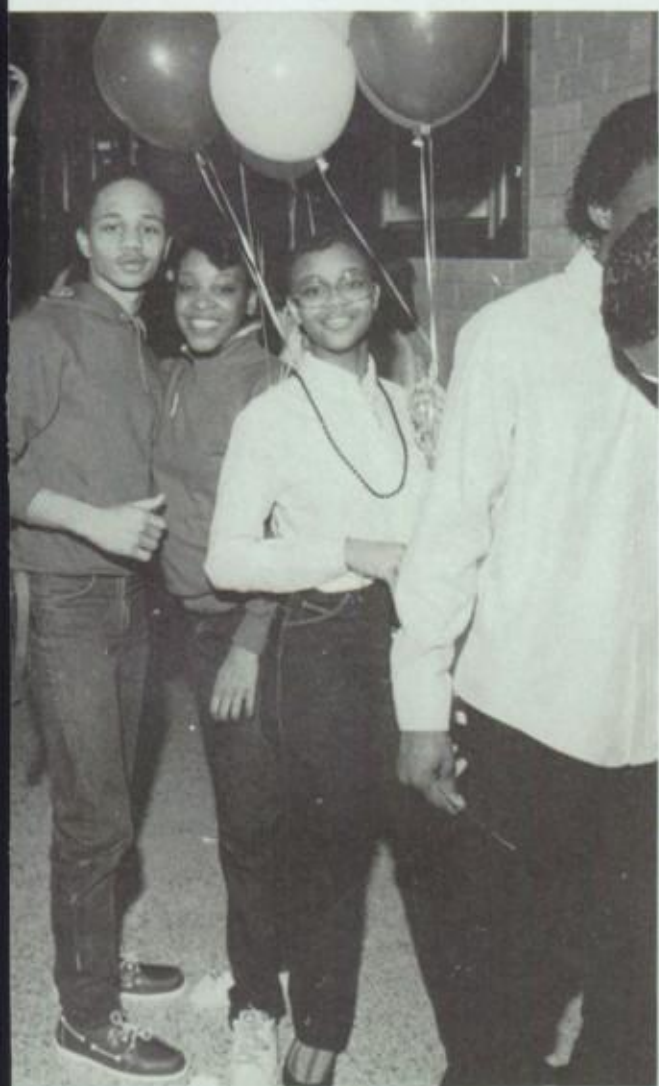

The MORP, a reverse of the Prom, was a great success this year. The dance is a run-off of the Prom only everything is turned around. The girls ask their favorite guy and treat them to an evening of fun. Many couples wore matching t-shirts or sweatshirts. The night begins with a dinner at a fast-food restaurant or anywhere they choose to go.

The dance this year was arranged, sponsored, and decorated by student council. The main hall was full of pink, red, and white balloons. The theme for

the dance was "One Night Love Affair."

The musical *Brigadoon*, begins with two American hunters, Jeff Douglas, and Tommy Albright, who get lost in the highlands of Scotland and stumble on the village of Brigadoon, which, thanks to a miracle, appears only one day out of 100 years. Tommy falls in love with Fiona, a Brigadoon villager, and then must decide whether to stay with her, or go back to America with Jeff. Through singing and dancing the play reaches its conclusion which is . . . he stayed in Brigadoon with his true love.

Sketchbook offers talent

Sketchbook is Snider's talent show that is held annually. This year the talent really was a hit. The show opened with "Heavy Meadow", a band performing "Run Around Sue". The members of the band consisted of: Carey Parker, Steve Lesh, Scott Wright, Jon Lundy, Dan Katter, John Krueger and Mike Jordan.

The acts varied from tap dancing to a pantomime performed by Janice Cronin and Bob Sanders. Several clubs from Snider participated in the talent show. The clubs included the

Pantherettes, Swing choir, wind machine and Jazz, Too. The MC's performed between acts.

All in all, Sketchbook was again a great success!

Dreams go on forever

The Junior/Senior Prom theme "DREAMS GO ON FOREVER" was greatly supported as Junior Margo Cronk stated, "It was so beautiful; I will never forget it. The atmosphere was fascinating." The I. Burnam band provided the music and the decorations were done by Armstrong Flowers. The highlights of the evening were Ty VanWagner and Lisa Ormiston "As Long As We Believe," and Senior Amy Russell dedicated "We've Only Just Begun" to the class of 1986. The evening was topped off by the crowning of the 1986 Prom Queen, Kim Munger.

Speech team competes

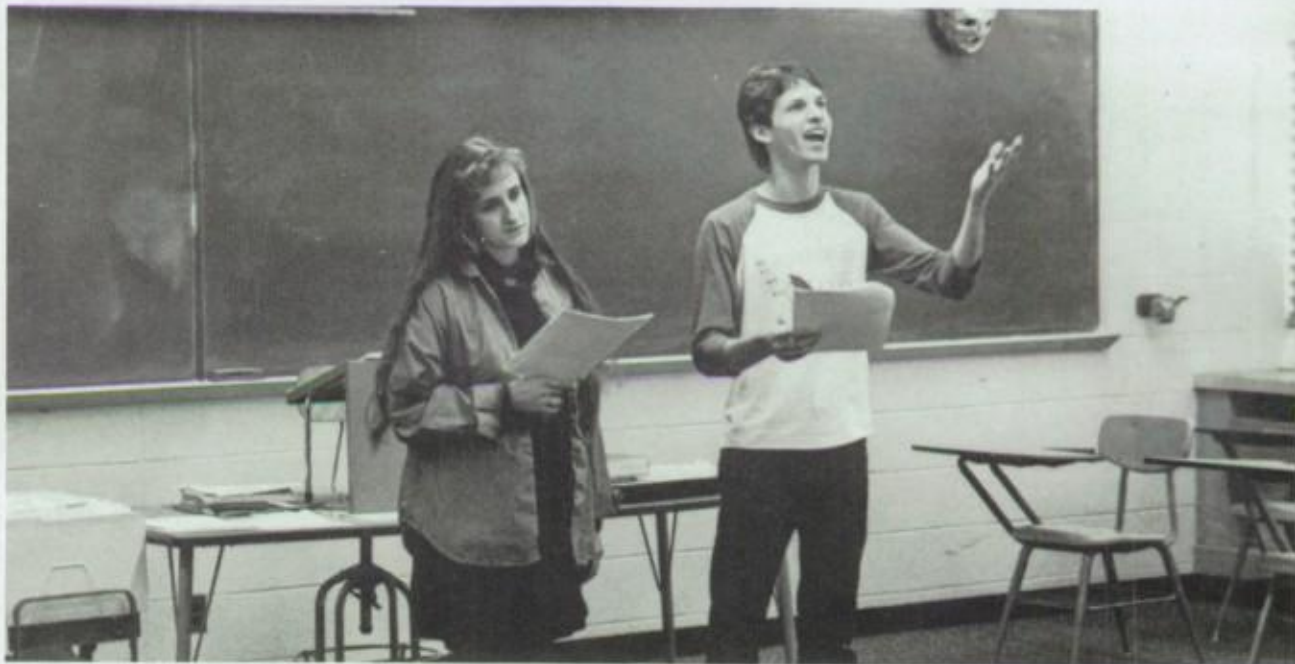

This year, the Snider speech team has steadily grown. There have been more participants this season than ever before. Hopefully, the team will continue to increase in participation and talent in the years to come.

Chess Club uses strategy

The Chess Club, which consists of ten Snider students, hold meetings every Tuesday. At these meetings they play game after game of chess. Sometimes to challenge each other they play just for fun. But that's not all that these people do. These students compete in several chess tournaments during the year. They hope to see the Chess Club expand in the coming years.

FSA Involves View of Careers

At meetings every third Wednesday, the girls of FSA get a more involved view of this career. Guest speakers and representatives of the secretarial profession offer helpful guidance and information concerning all aspects of a secretary's job. The April meeting was a field trip to the offices of a local company. Several members attend a FSA seminar at International Business College in November and the activities of National Secretaries Week in April.

COE Employs Basic Skills

COE students attend class in the morning and hold office jobs outside of class. Most COE students take mainly business courses including the COE class but every student's job is different. Everyone works in some kind of office using basic business skills. Every COE student also competes in contest at the regional level, and some go on to the state and national level.

DECA Goes To Nationals

The Snider DECA chapter did very well in competition in 1985-86. Snider DECA was awarded first place at the District DECA Career Development Conference for the fifth consecutive year. Thirty students advanced to the State DECA Conference and were awarded the sweepstakes trophy for the first time. Six students competed at the National DECA Conference in Atlanta. Sharon Meyer, senior, was a national winner in the Restaurant Marketing Competitive events area.

During Christmas, they go to Parkview's children ward and sing carols to the patients. The final project of the year was the sale of carnations for Valentine's Day. The V.I.P. Club's main objective is geared toward helping the community in every way possible.

Future problem solvers take State

The four-member team is part of a nationwide program designed to encourage communication and critical thinking skills. The entire process must be completed in a two-hour session without the aid of notes of any kind.

For practice, Snider's team tackled the problem of world hunger and gained an invitation to the State Future Problem Solving Bowl. At the F.P.S. Bowl in Indianapolis, the team beat nine other teams to win the State Championship. The team also placed first in a mandatory but unrelated skit competition with the aid of senior actress Kendra Clauser.

Experience, talent and goals helped the Varsity football team go 13-1 in 1985. As the season started, the newspapers and area coaches predicted that the Panthers would win the SAC conference; they had confidence that the team would get far in play-offs because of the talent, the coaches, and all the experience that was returning from last year. Through the course of the season, the team out-scored its opponents by a total score of 319-81.

A key person on the team was Vaughn Dunbar, who lead the conference in points scored and yards rushed. But Vaughn wasn't the only reason for the team's success. Everyone had the same goal, to get to the Hoosierdome, and they gave all they had to get there. Things didn't go the way Snider had planned at Semi-State, but most will remember that heartbreaking defeat. What should be remembered were the twelve previous wins and all the excitement & pride that the 1985 SAC, Sectional, Regional, and Semi-State finalists gave to everyone.

Making another Powerhouse

The 1985-86 Reserve football team had an excellent season. They ended the season with a 5-2 record. The team's two losses were against Northrop and North Side. Two of the games were won by nine points. Coach Arnold said that he was very pleased with the team's performance despite not having the three outstanding players that played varsity. The team worked very hard to achieve the record that they did. With their talent, the reserves should be able to continue their winning ways next year as varsity players.

The 1984 freshman football team had an exciting year and achieved things that weren't expected. Taking into consideration the records of Lane and Blackhawk, the coaches thought it would be a disappointing year; however, when the team finished the season with a 6-2 record, with a winning season. The most exciting game of the season was the Northside game. The Panthers won 12-6 in a thrilling double overtime. This team will improve with age and talent just as every team does, and will be powerful when they are seniors. So the tradition of the mighty fighting Panthers will live on.

The Panther Cross Country team enjoyed another outstanding season. They finished the dual-meet portion of the schedule undefeated (18-0) to raise the number of consecutive wins over the last three years to 41. They won the Snider Hokum-Karem and the Bruin Invitational. The SAC championship fell their way for the second year in a row. The state tournament series was also good for the Snider runners. They won their second straight sectional, finished as regional runnerup, qualified for the state meet in the semi-state, and ran their best race of the year to finish tenth in state.

The 1985 Tennis team was very successful as they finished the season with the third best record in the school's history, 17-3. The team started the year out with 12 straight wins, but then Dwenger broke their winning streak. The season highlighter was the panthers winning 3-2 over Homestead, the only time Homestead had lost to a S.A.C. team in the last six years. The success of the team should come easily in the years to come since it is such a young team, but the four seniors will be truly missed.

The 1985 girls' golf team compiled a 7-11 record against strong competition from SAC teams as well as outstanding area squads. The team participated in two tournaments, the pre-season Northrop Invitational and the Sectionals. Notable improvement was made by many team members and overall team play was much better by the end of the year. Next year's squad promises to be a very much improved one. The team should do very well.

Coach Brings New Techniques

Before the season began, a pre-season poll ranked Snider 15th in the state. With only one returning starter from the 1984 season, we could hardly be considered a seasoned team. On Saturday, October 19, Belmont and Snider met in the finals of the Concord Tournament. The girls were very flat and came up on the short end. North Side won the SAC; however, the only team to defeat them was — you guessed it — Snider, 15-8, 14-16, 15-6. The Panther spikers were also runners-up in the Sectional. After holding the Redskins scoreless in the first game, lost a heart-breaker, 15-17, in the second game, then went down in defeat in the final game, 5-15. Cara Beth Lee was voted to the All-SAC first team, and Bonnie Gill made the second team. Cara Beth was fourth in the city in assists. Donna Gill led the SAC in the number of stuffed blocks, and Bonnie was tied for second place in the city in the same category.

Snider's Varsity Basketball team ended up the season with a record of sixteen wins and eight losses. Coach Crawford commented that this year's team, as well as any, accepted the roles that the coaches assigned to them. This is the nature of true teamwork.

Everything was geared to the Sectional tournament but the well trained Woodlan team, who had lost only twice in 85-86, came out ahead by three points. Snider can be proud of this group of quality young people.

The 1985-86 Girls varsity basketball team had an excellent season winning 13 games while losing only 7. The girls reached the final game in the S.A.C. Tourney and later won the LaPorte Holiday Tourney. This was probably the youngest team in the history of Snider. The varsity consisted of five sophomores, four juniors, and only one senior. The future looks good!

Tradition lives on

The 1985-86 wrestling team turned out to be just as the past ten years' teams, excellent and champions. Their overall record for the season was 9-3-1, but even with three losses and one tie, the team managed to capture the tenth consecutive SAC title and the tenth consecutive Sectional championship. This year's SAC champs were Kevin Merriweather 145, and Eric Castetter, 138. Sectional Champion was Vaughn Dunbar at 185. Although this team was not as experienced as those of past years, they knew they had to live up to the Snider wrestling name. They set their goals, strove for perfection, gave 110% in all they did, and the tradition lives on. They have achieved their decade of being the best in the city.

Gymnasts display grace

The 1986 gymnastics season proved to be rewarding. During the season, the gymnasts were ranked thirteenth in the state poll. It took the team a while to get into the "swing" of things, due to sickness and serious shoulder injury to one of the top gymnasts, Cindy Clausds, MPV award winner.

For the first time Snider placed three people on the all SAC team. They were junior co-captains Cindy Clauss, Linnea Fulkerson and freshman Trisha Patterson. Senior Rae Jump received an honorable mention.

The team put up a great fight at sectionals but fell behind three of the "top ten" ranked teams in the state.

Baseball takes Regionals

The Snider High School baseball team completed the regular season with a record-tying 20 wins to 5 losses. However, a rash of injuries (seven total) during the SAC season, limited the Panthers to a 4th place finish in the conference.

Mike Person led the team batting over .400, and was named Most Valuable Player. Eric Roller, a three year letterman, was named the Mental Attitude winner. Mark Dove, shortstop, was named to the All Conference second team. In addition, sophomore Wade Stuckey led the Panther pitchers with an 8-1 record. The Panthers received the bye in the sectional draw and had not competed at press time, the last week of school.

1986 Boy's Track Team

Snider Track had a pretty fair year. We were very happy with the effort our young team put forth. We were disappointed with our sixth place finish in our conference meet, however pleased with winning our reserve meet for the second straight year. We had many young athletes' letter this year and look forward to much improved and more experienced team next year.

Curriculum update

102/English Department

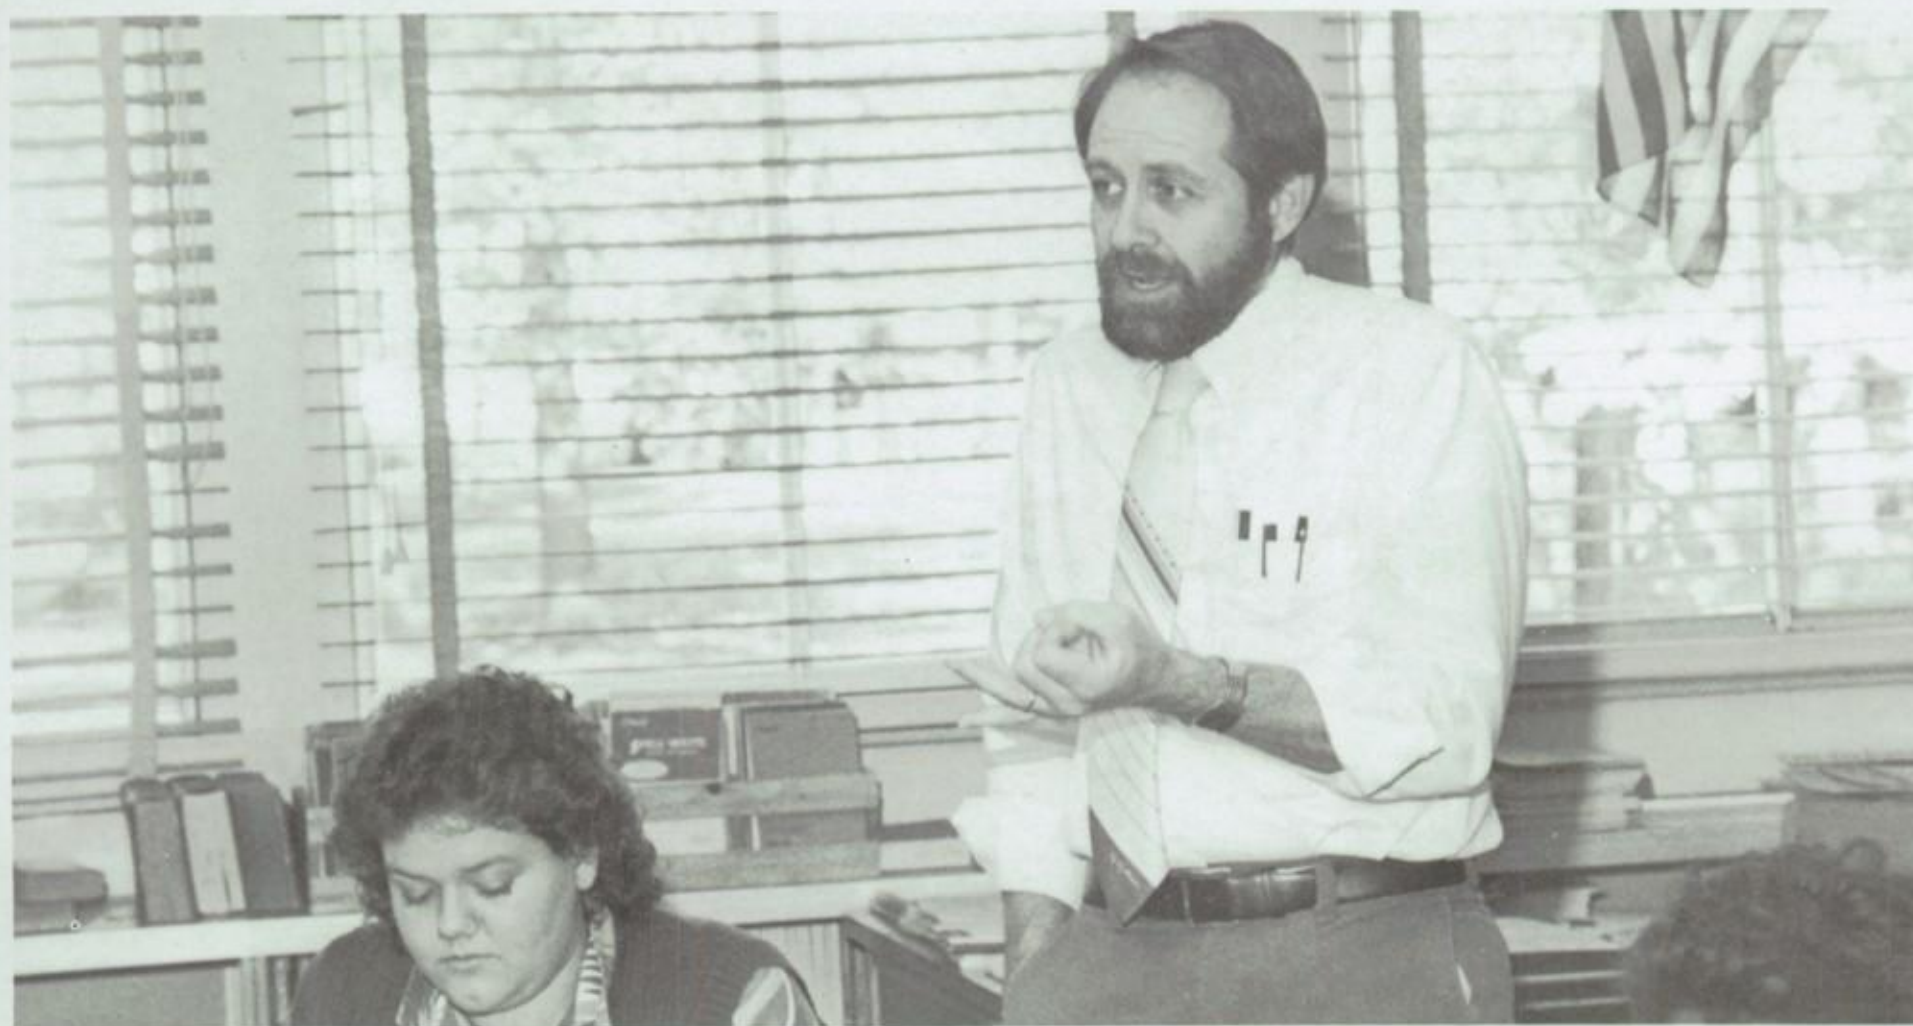

The English Department has undergone several curriculum changes in recent years. Now, however, teachers have settled into a routine with the new books and materials currently available. Writing research papers, doing book reports, and studying classic literature though never discarded, have received new interest in recent years. More emphasis has been placed on updating aspects of the curriculum that apply to the contemporary needs of students in language arts. Due to the tremendous influence of television on the early language of children, undeveloped reading skills and vocabulary study are receiving vigorous attention.

To start out the new school year the social studies classes purchased all new textbooks. "History really doesn't change much--- but just puts on a new 'dress' from time to time," stated Al Hemmer, head of the social studies department. This year is an exception. Some students have been given the opportunity to go to Washington in the Spring to observe the operations of Congress. SOUNDS LIKE FUN!!!!

These and other essential living skills are emphasized throughout the department. Human development and singles living provide learning opportunities and practical cooking skills are developed in the food classes.

For the third year in a row Snider's very own TV show, "Panther's Pause," was written, directed, and edited by the advanced TV broadcasting class. The WRNS staff worked very hard to bring the student body interviews with Snider faculty members and outstanding students. They reported on school news and advertised for promotions, extracurricular activities and organizations. The sportscasters kept students informed of all Snider sporting events and their scores. "Panther's Pause" was shown to the students every Thursday morning and aired on channel 10, cable TV.

1985-86 proved to be a good year for the show; new flats were designed for the set, an original music number was written for the opening of the show, and past traditions were carried on.

A long way from finished but it will be ready for the play, at least Mr. Edwards hopes so.↓

Stagecraft is a place where the total experience of theater is developed. Many, many hours of creative indulgence must be employed in order for a successful performance to occur. Here the students will work hand in hand with the set designer, play director, actors, and stage crew as a close knit body. Actual set construction, technical lighting and sound design are the features of the class. Three major productions supply the course content: a fall drama, the yuletide festival and the spring musical. Several minor presentations throughout the year round out the curriculum.

What's a nice girl like Angie Sheets doing hanging around with these guys?↑

Life is such a madcap whirl around Snider's office at times!

What a crew! Chuck Kellogg and Kenny Klerner look busy. Does it take four to change a lightbulb?

That'll be two large pizzas with peperoni make it snappy!

Ruth Traycoff shows Carol Witte some pointers.

Seniors Savor Memories

The class of 1986 has had three great years at Snider High School, but the fourth, the senior year, will always live in our memories. The year started off with an immensely successful football season and the girls winning the Powder Puff football game for the second year in a row. The class of 86 had participants that excelled in all sports, boys and girls. We also excelled in other extracurricular activities, clubs, and most of all academics. The class of 1986 will always remember the good friends we've made and good times we've had. We've all grown since our first steps into the big, long halls of Snider. What we've learned here at Snider will give us a good foundation from which to build our future.

➡ Senior Class Officers: Karla Hey, Treasurer; Blake Lackey, Secretary; Kim Munger, Vice-President; and Michael Rivera, President.

The Beginning of The End

Each year the Senior Class has the opportunity to attend the Senior Banquet, which was held at the Don Hall's Guesthouse. While there all of the class officers give a short speech or prayer. The guest speaker this year was Richard Porter, a reporter for WPTA TV-21, who was a graduate of Snider.

Kelly Nonte, Lisa Brinker, Rhonda Wilhelm, Eric Castetter, and Brian Kline discuss what is on the agenda for the senior banquet. ➡

Juniors Show Spirit and Unity

Three down one to go! This junior year has been a time like no other, with a class like no other. Goals and ambitions achieved and aspired, we look towards next year with high hopes.

Our junior class came together as one in the whirl of excitement during Homecoming. And if spirit could have won the Powder Puff game the junior girls would have come out on top. We stuck together through the thick and thin of defeat, bringing class unity to an all time high.

The Spirit seemed to fill the air as the juniors proudly gave the seniors their last prom. It was a year of spirit and unity!

Sophs have Togetherness

Togetherness is one word that accurately describes the sophomore class. Throughout the year the class of '88' is believed to be one of the brightest and one of the most competitive classes to pass through Snider High School. For the remainder of our time spent here at Snider we will continue to excel ----- together!
